Hope all of you are doing well..We had a great Junior and Youth Conference with the National Junior and Youth joining us by Zoom. The Community Service and Lecturer's Conference was a hit also. We then had a Virtual Deaf zoom gathering, again very special!

Right now we are trying to put together a 6th Degree in Mt. Vernon this weekend (March 26). We as Grangers seem to getting away from ritual; we also don't seem to be meeting like we should. I know it is very hard to meet with the fear of Covid still out there, but we should do some kind of meeting in the near future.

In the magazine you will notice a ruling sent down from our Worthy National Master/President, it is important for you all to read this. This was done for all State Granges and Subordinate Granges. (See page 4.)

Things coming up... Legislative Conference..Deputy Conference May 14th at Flying Horse Farms, Rural Life Sunday May 1st at Westerville Community Church of Christ...Spring Fling..Summer Youth Camp.. and Junior Camp.

I am speaking to an Agriculture Science Group at Ohio State University this coming week, would love to get some members from this venture.

Margaret Ann Ruhl and I will be doing pod casts starting in April. We will be talking about Grange History, since this is Grange Month, we will be doing several. We will let you know when to listen in and where. Thinking Spotify and Youtube.

Hope everyone stays well.

Fraternally,  
Sue Roy Master/President

P.S. my knee surgery went well and I will soon be able to go, go, go,...thanks for cards sent to me.

## National Grange Journal of Proceedings entry

The Ohio State Grange has had some rough times, as I am sure as have other State Granges. Our Convention was cancelled 2020 because of Covid, causing our State Grange to keep our Officers for one more year. We tried to convince the Grangers to have a virtual Convention, but, it was voted down. We did have a Budget Committee, and passed a Budget for 2021..which we have maintained.

Our State Fair was cancelled as was many of the County Fairs. I had calls from Granges who were unable to have Fundraisers at the Fairs, so had no money. The question was how to help these Granges? Have Grants for them to apply? or do a "Dues Forgiveness"? We decided on the "Due Forgiveness" program, allowing the Granges to not pay dues for one year. We also decided those Granges that did have money, would do Community Service with their money. As always our Ohio Grangers stepped up and GAVE. Food Pantries, Churches, Schools, Red Cross, and many other organizations where given donations every quarter. We as a State Grange through careful budgeting and planning allowed all Granges this opportunity and still was able to get our National Dues paid on time. I am so very proud of my Grangers and their giving hearts. We are now back to paying dues and Still doing Community Service.

We will pull through this "bump" in the road and come back stronger than ever. Even through the "bumps" I am honored to be Master/President of the Ohio State Grange.

Fraternally,  
Sue Roy- Master /President

## **National Grange President's Ruling on Situations Warranting Immediate and Permanent Removal from Office and/or Expulsion from the Order of Patrons of Husbandry**

Grange membership is an important and valuable privilege that has been enjoyed by millions of our Brothers and Sisters for more than 150 years. Extending the benefits of membership in our Order to all who share our values and aspirations for a higher manhood and womanhood as well as our interests in promoting economic, political, educational, and social cooperation in local communities across our great nation has been a driving force in the growth and development of the Grange. Our desire to expand the benefits of Grange membership to as many of our potential Brothers and Sisters as possible exists alongside an equally strong history of tolerance for the views, actions, and lifestyle choices of our members. Opening the full benefits of Grange membership to many different individuals with unique experiences, backgrounds, and perspectives has made our Order stronger, more diverse, and more inclusive over time.

To protect the privileges of membership for our Brothers and Sisters from being arbitrarily revoked or curtailed over personal disagreements, the National Grange Digest of Laws has incorporated, by democratic debate and vote at our annual National Sessions, a series of procedures to assure that any member accused of violating their oath of office or their oaths of membership will be guaranteed a right of due process before they can be removed from office or expelled from our Order. In the overwhelming number of cases where this procedure has had to be invoked, it has accurately and correctly balanced the interests of the individual Grange member against the interests of the entire Order as a whole to expect a minimum adherence by every member to the mutual oaths and obligations of membership and of holding office.

However, these protections can be time-consuming. They also assume that all the parties involved in these controversies want to reach an amicable agreement to resolve the disagreements they may have. Finally, they as-

sume that continued membership or holding of office by any member accused of violating their oath of office or oaths of membership during these proceedings pose no significant threat to other Grange members, guests at Grange functions, or the financial, physical, or reputational assets of the Grange. In an exceedingly rare number of situations, it has become apparent that the severity of the member's actions at issue and the conduct of individual members can reasonably pose significant, ongoing risk to the safety of our Brothers and Sisters and the security of our Grange property that must be immediately addressed. In these rare cases, it is apparent that following the procedures of the Digest to address the actions and conduct of these members is insufficient to protect the interests of the Order.

Therefore, I am issuing this National President's Ruling on Situations Warranting Immediate and Permanent Removal from Office and/or Expulsion from the Order of Patrons of Husbandry.

A President/Master of a State Grange may petition, in writing, the President of the National Grange for immediate and permanent removal from office and/or expulsion from the Order of Patrons of Husbandry of a Grange member when the State President/Master can reasonably demonstrate and document that the member in question poses an immediate or ongoing reasonable threat to the Grange, based on recent conduct or statements. Such a reasonable threat may be established from public conduct or provocative statements made entirely outside the realm of the Grange itself. Such a petition may be submitted under one or more of the following circumstances:

1. A threat to the personal safety of any Grange member or class of Grange members or the personal safety of any individual or class of individuals who may be guests at a Grange function.
2. A threat to the financial, intellectual, or physical property of the Grange through, but not limited to theft, embezzlement, burglary, conversion for personal use, personal tax evasion, or willful destruction/damage of Grange property.
3. A threat related to misuse of Grange property for any illegal purpose or for any purpose unauthorized by the

Grange that could result in the revocation of Grange liability, bonding, property, casualty, or fire insurance coverage.

4. A threat related to the attempt to recruit any Grange member or guest at a Grange function to engage in unlawful or illegal activity.

5. A threat related to making false statements against the Grange in any civil or criminal proceeding.

6. A threat related to participation in any civil or criminal proceeding where the Grange member in question alleges, in documents or testimony filed with a court of law or any regulatory body with authority to adjudicate disputes, that any of the governance provisions of the National Grange Digest of Laws, the Constitutions and By-Laws of any of the various State Granges or the Constitutions and By Laws of the various local Chapters of the Order are, per se, invalid or only advisory and not controlling, in their application to the case at hand.

The National Grange President shall review the petition and any supporting documentation thoroughly before issuing a decision in writing. The National President may refer the petition and charges therein back to the State President/Master for further action under the trial procedures or procedures to interpret Grange Law and Usage of the National Grange Digest of Laws. The President/Master of the State Grange need not inform the member in question of the petition to the National Master for immediate removal from office or expulsion from the Order if, in the judgment of the State President/Master, such communication would exacerbate or increase the threat to Grange members or the Grange from the member in question. However, once the National President has issued a ruling, the State President/Master shall make every effort to forward a copy of the petition to the National President, any supporting documentation provided to the National President, and the text of the National President's ruling to the member in question, regardless of the outcome.

If the ruling of the National President results in immediate removal from office or expulsion from the Order, the State Grange President/Master shall also forward to the member in question information related to their rights of appeal. The removed or expelled member have two avenues of appeal. First, the removed or expelled member may directly appeal to the Officers of the Assembly of Demeter by sending within 30 days of receiving the decision from the State President/Master, a request in writing to review the petition, supporting documentation, and decision of the National President related to their removal or expulsion. No additional information shall be provided to the Officers of the Assembly during this appeal. The Officers of the Assembly shall have the authority to take one of the following actions related to this appeal:

1. Affirm the entire ruling of the National President.
2. Reverse or vacate the entire ruling of the National President.

3. Refer the original petition and charges therein back to the National President with recommendations for amendment. The decision of the National President to incorporate or not incorporate the recommendations of the Officers of the Assembly into a revised, final ruling shall be final and may not be appealed.

4. Refer the original petition and charges therein back to the State President/Master for further action under the trial procedures or procedures to interpret Grange law and Usage under the National Grange Digest of Laws.

The decision of the Officers of the Assembly and any amended final ruling of the National President shall be forwarded to the State President/Master, who shall forward a copy to the removed or expelled member.

The second avenue of appeal that a removed or expelled member may choose is to have a formal trial under procedures outlined in Chapter 12 of the National Grange Digest of Laws. Any prohibitions on holding Grange office or ruling of expulsion shall remain in full force until the conclusion of the trial. The State President/Master shall be the complainant. The State President/Master may be joined by other members in good standing as co-complainants if they can reasonably be shown to be, or have been, at risk or their Grange was at significant risk from the conduct or statements of the removed or expelled member. The result of the Grange trial, including the appeal process therein, shall be the final decision on the controversy.

President

With the spring flowers starting and blooming, we are in the start of the political season. As of this writing, we will have a May primary, but not with the State Senators, State Representatives or State Central Committee on the ballot. My question is why? Why don't we delay the primary until the new district maps are complete and approved. How many times do you redraw the districts to please the Supreme Court? As we know, there is no pleasing everyone, so just get it done! In the meantime, remember to go vote whenever the State decides to get it done.

As for the other business of the Legislature, we are glad to be successful in getting the House Bill 135 moving from the House to the Senate. This bill is basically to allow any coupon you use to get your prescriptions to be added to your deductible. Not all insurances will allow any discounts that you receive when you get your prescriptions to be counted on your deductible. This is not right and H. B. 135 will help correct this. Please contact your State Senator and ask them to vote for this bill.

The Ohio State Legislative Conference is over and I hope everyone enjoyed all the speakers. I have tried to get a variety of speakers to talk on a variety of topics. One I think is very important is the never ending spams. I only wish those that try to spam us are paid in full in the end, if you know what I mean. To take advantage of anyone of any age is just not right. So remember to NEVER give your bank account number, your social security number or any personal information to anyone you don't know. It is different if you call them or email them, but remember to NEVER give it to any unsolicited person. If in doubt, contact your local law enforcement, being the Sheriff's Office or Police Department.

In the month of April, Master/President Sue Roy and I teamed up and have several podcasts. This is a new thing for us and we are going to record as many as possible in the coming months. These podcasts will deal with subjects on What is Grange? to How a resolution is to be written, and many other topics. We are not ready to go live, but will record them, put them on the website. Thanks to Sue's son for helping to get us started on this project. Topics can be suggested by anyone and we will do our best to include them on our schedule. Just let Master/President Sue or myself know of what you are interested in listening or having recorded.

One more item, remember to start on your resolutions. We want them into the office by September 1st. That time will be here before we know it. We are looking forward to your ideas on your resolutions.

Let's get ready for the summer activities as the State Grange and your local granges move forward with many projects. Let's support as many as we can.

Thank you for all those that attended our Lecturer Community Service conference at the state Grange office in March. It is so exciting to again be in person sharing ideas and information. We ended the day with Diana having everyone complete a community service project by making post it note holders that will be distributed at the Ohio State Talent contest to the residents of the Eastern Star Home. The residents at the Eastern Star Home so enjoy the afternoon of entertainment from our Grange talent contest. Another example of such a nice pairing is we will be furthering our support of the Flying Horse Farms, having our May Deputies Conference and baking contest at the Flying Horse farm. I am so excited for more grangers to see their wonderful facilities.

I hope you took full advantage of Grange Month in April publicizing and performing community service in your community. We are all excited to slowly start to return to in person meetings and activities. Again this year I am asking all granges to consider entering the National Grange program – Grange In Action. You submit a one page report showing at least three photos of activities your grange did this year with a short description of each activity. With at least six Granges in action in Ohio – at National convention Ohio was recognized at a State Grange in Action.

In addition to your local publicity for your Grange community service projects, I hope you will share photos and a description of what projects you are doing in the name of the Grange on our Ohio State Grange Community Service Facebook page. You can inspire other Grangers to consider projects similar to yours. Also remember that if you have any questions, you can call me anytime.

## Morning Thought - Evening Thought

This devotional was written by the late Charles H. Spurgeon. The older I get, I think more and more about the ideas that Charles shared in the thoughts below.

### Morning Thought

"Them also which sleep in Jesus will God bring with him." — 1 Thessalonians 4:14

Let us not imagine that the soul sleeps in insensibility. "Today shalt thou be with me in paradise," is the whisper of Christ to every dying saint. They "sleep in Jesus," but their souls are before the throne of God, praising Him day and night in His temple, singing hallelujahs to Him who washed them from their sins in His blood. The body sleeps in its lonely bed of earth, beneath the coverlet of grass.

But what is this sleep? The idea connected with sleep is "rest," and that is the thought which the Spirit of God would convey to us. Sleep makes each night a Sabbath for the day. Sleep shuts fast the door of the soul, and bids all intruders tarry for a while, that the life within may enter its summer garden of ease. The toil-worn believer quietly sleeps, as does the weary child when it slumbers on its mother's breast. Oh! happy they who die in the Lord; they rest from their labors, and their works do follow them. Their quiet repose shall never be broken until God shall rouse them to give them their full reward. Guarded by angel watchers, curtained by eternal mysteries, they sleep on, the inheritors of glory, till the fulness of time shall bring the fulness of redemption.

What an awaking shall be theirs! They were laid in their last resting place, weary and worn, but such they shall not rise. They went to their rest with the furrowed brow, and the wasted features, but they wake up in beauty and glory. The shriveled seed, so destitute of form and comeliness, rises from the dust a beautiful flower. The winter of the grave gives way to the spring of redemption and the summer of glory. Blessed is death, since it, through the divine power, disrobes us of this work-day garment, to clothe us with the wedding garment of incorruption. Blessed are those who "sleep in Jesus."

### Evening Thought

"Howbeit, in the business of the ambassadors of the princes of Babylon, who sent unto him to enquire of the wonder that was done in the land, God left him, to try him, that he might know all that was in his heart." — 2 Chronicles 32:31

Hezekiah was growing so inwardly great, and priding himself so much upon the favor of God, that self-right-

eousness crept in, and through his carnal security, the grace of God was for a time, in its more active operations, withdrawn. Here is quite enough to account with the Babylonians; for if the grace of God should leave the best Christian, there is enough of sin in his heart to make him the worst of transgressors.

If left to yourselves, you who are warmest for Christ would cool down like Laodicea into sickening lukewarmness: you who are sound in the faith would be white with the leprosy of false doctrine; you who now walk before the Lord in excellency and integrity would reel to and fro, and stagger with a drunkenness of evil passion. Like the moon, we borrow our light; bright as we are when grace shines on us, we are darkness itself when the Sun of Righteousness withdraws himself. Therefore let us cry to God never to leave us. "Lord, take not thy Holy Spirit from us! Withdraw not from us thine indwelling grace!"

Hast thou not said, 'I the Lord do keep it; I will water it every moment: lest any hurt it, I will keep it night and day'? Lord, keep us everywhere. Keep us when in the valley, that we murmur not against thy humbling hand; keep us when on the mountain, that we wax not giddy through being lifted up; keep us in youth, when our passions are strong; keep us in old age, when becoming conceited of our wisdom, we may therefore prove greater fools than the young and giddy; keep us when we come to die, lest, at the very last, we should deny thee! Keep us living, keep us dying, keep us laboring, keep us suffering, keep us fighting, keep us resting, keep us everywhere, for everywhere we need thee, O our God!"

Church marque sign ~ This is a ch\_\_ch. What is missing?

### Ladi Kubichek

Family and friends!!!  
Wanted everyone to know a celebration of life for Ladi Kubichek will be on July 2nd, at 11 am at Gageville UMC on rt 193, Kingsville.

Everyone is welcome to come and share stories, and a Grange service will be held also. A picnic dinner in dad's honor will follow the service, so bring a dish to pass. Meat, watermelon and drinks will be provided. We hope everyone can come.

The saying “April showers brings May flowers” but what did all the February showers bring you, mud! And snow miser did not want to give into the heat miser for spring in February either. March did not come in like a lion, sooo how did the month go and go out, this is written in the first half of March.

April brought us Spring Flings in Miami County at Staunton Grange and Stark County at Robertsville Grange. We will have pictures and details of the days in the July August monthly. And May will hold the state baking contest; results will be in the July August monthly also. Thanks ahead of time for your entries, *deeeeeelicious* items. And the total of the VOSH eyeglass collection and the winner of the ice cream social for 2022.

Looking ahead to July and August; we are working on your next year’s contests and projects. We are again asking for your suggestions and ideas. Ann has talked to a couple ladies about different quilting and sewing projects. If you have any baking, quilting, sewing, home, nifty needle and for junior nifty needle please tell us when we see each other or send it to us by snail mail or email and ASAP please.

We seem to have had a fair amount of interest in the “Reading Room Quilt Block”. We do not know at this time, March 10, how many blocks we have but if we do not have enough to make a nice size quilt we will not be able to auction it off at convention. We will let you know in the July August monthly if we have enough blocks.

#### SOCKLESS MONSTER

Here is a new project we hope you will help us with. We want you to meet our “Sock-less Monster”. She wants you to bring or send children and adult socks to convention this year and then continue the project at your Grange in the years to come. The socks that are collected at convention will be donated to a homeless shelter and/or the Family Support Specialist at a school in the area of Dublin.

What is a Family Support Specialist you may ask? “Many of today’s students face some type of obstacle as they try to succeed, or simply struggle to stay in school. Supporting these students and their families is the purpose of the Family Support Specialist.” The role of the specialist is:

- +Develop relationships with school personnel, parents and students.
- +Serve as a liaison and break down the barriers that interfere with the ability of the student to successfully learn in school.
- +Connect families to school and community support services and programs in the area.
- +Encourage and facilitate family involvement in their child’s learning.
- +Offer support and mentoring to the student and families.
- +Engage the parents in school activities to promote their child’s educational success.
- +Promote positive behavior and attitudes in students through positive skill building.
- +Help link families to basic necessities and services such as food, clothing and rent assistance.

Contact your school district to find who your specialist is. At Louisville City Schools we have three specialists; one at each elementary school and one who covers the middle school and the high school. They could use a lot of items; ask them, it is a great feel good donation to help those who need it.

Have a great summer and we hope to see or hear from you soon.

# The Wonky Star Quilt Block Pattern

This block is a great way to get your feet wet with improv patchwork!

You will need a background fabric and some colored rectangular scraps. The scrap you use for your central square needs to be as large as all the other squares you cut. Your other scraps need to be about 2/3rds the width of your squares and a few inches longer.

### REMEMBER:

Even when you're "finished" making the block, we call it an "unfinished" block until it is sewn into a quilt.

## Cutting Chart:

	Shape	Subcut?	FINISHED SIZE				
			6"	9"	12"	15"	18"
Cut 8 (background)		No	2 1/2"	3 1/2"	4 1/2"	5 1/2"	6 1/2"
Cut 1 (Center Square)		No	2 1/2"	3 1/2"	4 1/2"	5 1/2"	6 1/2"

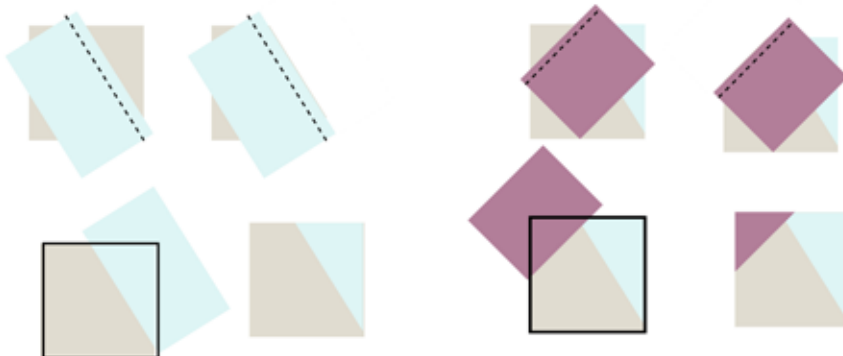

## Block Construction:

NOTE: For all seams, you should use a scant 1/4" seam and a 2.0 mm stitch length. Your unfinished block should measure 1/2" more than the finished size you are making. (i.e. For a 6" finished block, your block should measure 6.5")

1. Take one of your background squares and place a rectangular scrap over it (right sides together) as shown in the image below. Sew a seam 1/4" from the edge of the scrap. Then, trim the excess seam and press open. Trim again so that the unit is square again.

2. Using the square you just made, take another strip and lay it over the other side of the unit, right sides together, as shown below. Again, sew a seam 1/4" from the edge of the scrap. Trim the seam, press open and then square it up again. Repeat steps 1 and 2 until you have made four units.

NOTE: try to experiment with different angles as you make your "wonky" units so that no two are alike.

3. Arrange the four units you just made and your remaining squares as shown in the exploded diagram at the top of the page. This can now be assembled like a 9-patch: simply sew the blocks in each row together and then sew all the rows together, being careful to nest your seams.

## Lecturers support the Grange vision through programs

Activities and enthusiasm are picking up for Granges across Ohio and the nation. Hopefully your Grange has planned a few new events and projects. Make sure to publicize your information and invite neighbors and community members to participate.

I would encourage to all Lecturers and Grangers to look at The National Grange website, [www.nationalgrange.org](http://www.nationalgrange.org). There is information about Lecturer's contests and programs including all issues of "A Quarter's Worth" (the National Lecturer's Newsletter), member benefits, legislative updates, junior and youth information, upcoming events and much more. The National Grange produces a bi-weekly electronic newsletter, "The Patron's Chain". It is emailed to anyone who signs up. I find it very informative and a great way to stay up-to-date.

Thank you to everyone who took the time to attend the Lecturers/ Community Service Workshop. Special thanks to Mile Branch Grange, Columbiana County for morning snacks and Morgan Grange, Knox County for the delicious lunch. The new National Grange Heirloom Program was explained and materials were shared for each Grange to be able to use this program. Everyone went home with a year of community service projects that can be used at their grange. Participants made sticky note gifts to be given to the residents of the Ohio Eastern Star Home.

The State Grange Talent Contest is scheduled for June 18, 2022 at The Ohio Eastern Star Home, 451 Gambier Rd., Mt. Vernon OH 43050 beginning with the Juniors at 1:00 pm followed by the adult contestants. Please share with other Grangers and encourage Grangers to enter. The deadline is June 1, 2022. Categories and rules are in the 2021 September-October Ohio Granger. If we cannot hold the contest at the Eastern Star home due to their restrictions, the contest will be held at the State Grange office. Information will be sent out through the Grange Family email and all contestants will be contacted directly.

All Creative Writing entries, Lecturer's reports and programs to share are due to me by September 1st. Items can be mailed or emailed to me by the deadline. It is important that you give permission for your entries to be shared, if you want them to be printed in the Ohio Granger or shared with other Lecturers.

The Homemade Game contest can be mailed to me or brought to State Convention for judging. All entries will be judged at the state level. There should be no county elimination. Remember to include directions. Games will be judged on creativity, clarity of rules and direction, and appro-

priateness for Grange meeting.

The Midwest Regional Leaders Conference is scheduled for June 24-26, 2022 at Spring Valley Bible Camp in Muscatine IA. The conference is open to all Grangers. More information is in the magazine. (Page 13) Some program ideas for this season include Mother's and Father's Day, Memorial Day, Flag Day, and Dairy Month. Information on area festivals, summer time safety, using fresh produce, farmer's markets would be helpful to your members.

Enjoy the warmer weather and use this season to brighten your Grange activities!

### Heirloom Program by Diana Nordquest

National Grange has introduced the Heirloom Program. The program is a way for Grangers to connect to lessons and values in a very quick organized way each month. The program officially kicked off in March 2022. Grangers are asked to spend a few minutes at their meeting on the quote for the month. It can be as simple as a member reading the quote and members sharing their thoughts. It is suggested that different officers/members take turns in reading the quotes. It can be done Conferring the Degrees or Suggestions for the Good of the Order. It can be part of the Lecturer's Program but should not be the entire program. Activities can be created to supplement the reading such as word games or coloring pages. The quotes will be on a 5-year cycle with a total of 60 quotes used.

Many resources are available on the National Grange website. Under the programming pull down menu, click on Heirloom program and you will find a variety of resources. There are sample activities, graphics to use on your Grange's Facebook page or website. If you need help, Philip Vonada and Amanda Brozana-Rios are very willing to help.

Here are the quotes for May – July 2022 to help your Grange get started on the great new program.

\*Spring A.3. (May) – "Influenced by our strong beliefs in the institution of the family, we are convinced that education begins in the family circle." (Grange Declaration of Purposes)

\* Summer A.1 (June) – "Prune idle thoughts and sinful suggestions, and thus keep your passions within due bounds and prevent your fancy from leading you astray

**Lecturer continued on page 12.**

Lecturer continued from page 11.

after the vanities and vices of the world.” (Second Degree; President)

\* Summer A.2 (July) – “Guard against selfishness. If thine enemy hunger, feed him.” (Second Degree; Chaplain)

Grangers who attended the Lecturers/Community Service Workshop have a variety of resources that can be copied and shared. I will be presenting to the Deputies and their conference in May.

### Website Construction!

Our Grange website, lauched in 2006, is showing its age. We decided to redo the site to make navigating easier. Each Director will have a page to share their ideas and projects. If there is a Conference, all the info will be available on this site. It will also be linked with National Grange to keep members informed of upcoming events. Our cookbooks will be for sale on this site and forms for all Grange activities will be right at your fingertips. All should be up and ready in May! Enjoy!

### Podcast ready!

Margaret Ann and I just finished our third Podcast. We are pleased to be able to get this information out to Grangers and non-Grangers. We gave, on our fist two podcasts a breif history of the Grange. The third Podcast was about HB135 and how bills go to Committee. Most of our programs are under ten minutes because we don't want people eyes to glaze over from too much information. Our equipment was purchased from grants received from Pharma Corp and the National Grange. These programs will be available on anchor.com/Spotify and youtube. Hope you enjoy these programs...if you have a topic you want discussed please let Margaret Ann know.

## “Deaf Activities Looking Ahead at a Positive Vision”

Hope you all have been well. The Committee and I miss seeing you in person.

Reports are due September 1, 2022.

Monetary donations are to be sent to the State Office. Collection of items on the School Wish List can be given to me at anytime.

### Let's talk about "The Process of Hearing"

Sound is transformed into mechanical energy by the tympanic membrane. It is then transmitted through the ossicles to the inner ear where it is changed again into hydraulic energy for transmission through the fluid-filled cochlea. The cochlea's hair cells are stimulated by the fluid waves and a neurochemical event takes place that excites the nerves of hearing. The physical characteristics of the original sound are preserved at every energy change along the way until this code becomes one the brain can recognize and process.

Hearing loss misleads our brain with a loss of audibility and introduces distortion into the message that reaches the brain. Changes in the effectiveness of the brain to process stimuli, from head trauma, disease, or from aging, can result in symptoms that mimic hearing loss. The ears and the brain combine in a remarkable way to process neutral events into the sense of hearing. Perhaps it's fair to say that we "hear" with our brain, not with our ears!

I'm going to list a few notable people who are deaf, that you can use for information at your "Standing Report". **Dorothy Miles**, deaf poet and activist. **Leslie Nielsen**, Canadian-American comedic actor. **Kitty O'Neil**, stuntwoman, high-speed racer. **Louise Stern**, writer and artist. **Heidi Zimmer**, American mountaineer. **Halle Berry**, American actress, acquired unilateral hearing loss. **Steve Downie**, NHL hockey player. **Rob Lowe**, American actor, completely deaf in one ear. **Brian Johnson**, former lead singer of AC/DC **Brian Wilson**, American musician and songwriter. **Bruce Willis**, American actor, producer and singer, partially deaf in left ear. **Douglas Tilden**, American sculptor. This will give you a start on a very long list of people who are deaf or partially deaf.

June, one of our Chairman in Ohio sent this idea for a game you could play for part of your program. List on a sheet of paper "10 Sounds", "IF I WERE TO LOSE MY HEARING TODAY, THESE ARE THE SOUNDS I WOULD MISS MOST. She ended with, 'CHERISH THE SOUNDS YOU CAN HEAR". I will close with that thought too.

Blessings to all and see you soon.

I LOVE YOU!

Summer will be here soon and we need to start organizing and getting our displays ready for the fairs. After a tough two years, I encourage everyone to promote your Grange every chance you get.

The delegate election process should be completed by the time you receive this magazine. I urge the delegates to discuss with their Grangers the legislative process and get their opinions and suggestions on current issues and events.

Now is the time to prepare resolutions and send them to the State Office. Remember, all resolutions must be received by September 1st.

Delegates represent all Grangers in their respective counties and should bring to Session the opinions of the membership. It is an important responsibility, one not to be taken lightly. I congratulate all of you and look forward to working with you at the State Session.

The deputies and delegates will be notified in writing when the delegate elections are completed.

Enjoy the warm weather, the beauty around you, and share the wonderful works of the Grange in your Community. I look forward to seeing you at your many summer activities.

Happy Mother's and Father's Day!

By the time this reaches you, spring should have finally arrived, and a breath of new fresh air is in the air. With all that has happened this past year, we are overly excited for a fresh clean and safe slate. We are extremely excited to say that Junior Grange Summer Camp is going to happen this year, and there might be some slight changes for protection of our juniors.

We hope all are having a wonderful year so far. We are looking forward to spending another wonderful year with the juniors. We have lots of fun activities planned for them.

### Talent Contest

Remember it's not too early to get the talent contest applications in. We are looking to have a good turn out this year, we have learned over the past year that we have some incredibly talented juniors and would love to see each one come out and perform. The date for the Talent Show has been changed to June 6/18/2022. We will give location closer to date. The talent application will follow in this article.

### Camp

We have been diligently working on different craft ideas and working on the theme of the camp this year, hoping to have a great turn out and another wonderful camp this year, it will be held at Camp Otterbein in Logan Ohio again the dates will be July 7 – July 10, 2022. Registration is due by June 10th. Cost will be \$115.00 plus \$5.00 for picture if you want one and \$2.00 if you are an Ohio State Junior Grange dues or to join the Junior Grange. Please feel free to share the video we have created on YouTube to spark interest to perspective Juniors. Our main Goal is to build the Junior Grange up so that the future of the Grange becomes brighter. You can apply digitally to Ohiojuniorgrange@gmail.com or by mail to Elizabeth Tolley 429 Hester Ave Alliance Ohio. We will be holding the State Officer Lunch/Day on 7/10/2022 during camp (we encourage all officers to come join us for juniors to meet and learn more about the Grange- please inform us if you will be able to attend by 6/30/22 to inform the kitchen)

### Background Check

Also, just a friendly reminder, The National Grange is requiring background checks for all leaders and individuals over the age of 18 who will be working directly with juniors as leaders and teachers. The National Grange has chosen these checks to be completed by "Safe Gatherings" at www.safegatherings.com, will include an abuse prevention module, and everything is handled through The Na-

encourage Subordinate and Pomona granges to consider paying for the required background checks for their junior leaders.

### Junior and Youth Workshop-

We have held our second workshop this year at the state office. With 20 in attendance between juniors and youth- we had The National Junior and Youth Leader speak about the programming and different areas to help grow our programs. In the small group discussion, we focused on areas that we need to focus on as a group and whole Grange body. We can't wait to do this again next year and encourage any Granger who would like to build up the junior/youth Grange. At the workshop the make it take it craft was one of the State level junior crafts to help aide the leaders on how to make it for their local juniors, they were the bot-

tle suncatcher. Lunch was provided and we baked the youth and junior baking contest for dessert.

### Sleep Over-

We just completed our First Sleep over at the state office. We would have to say it was a success. With 15 leaders and juniors from across Ohio in attendance.

This year we went to COSI in Columbus, where we spent 5 hours learning about different types of science from the past and into the future. We slept over at the state office, during the sleep over they finished two different crafts and held a Junior

## Juniors continued from page 16.

Grange meeting in which we voted on our Community Service. The juniors ended a great sleep over with church service about resiliency. Which the first year being a success; we look forward to the next year, but we are also looking into branching

ing out and joining youth and young adults for day trips. More info to come on this.

### We have a couple of updates-

Since baking at the workshop, it was found that the 8- under craft is lacking on taste and appearance; so we are going to change it to the following recipe.

#### Easy Moist Banana Blueberry Muffins

##### Ingredients:

3 large ripe bananas	$\frac{3}{4}$ cup sugar
1 egg, slightly beaten	$\frac{1}{3}$ cup melted butter
1 cup blueberries	2 tsp baking soda
2 tsp baking powder	$\frac{1}{2}$ tsp salt
1 $\frac{1}{2}$ cup flour	

##### Directions:

Mash bananas in a large mixing bowl  
Add sugar and egg  
Add butter and blueberries  
Combine dry ingredients and gently stir into banana mixture  
Pour into 12 lined muffin cups  
Bake at 375 degrees for 20 minutes

With the 12-14 baking contest; the baking time needs to be adjusted to 10-15 mins at 325 degrees

### Missed Craft from Sept- Oct article

#### Coffee Filter Art

##### Supplies-

Coffee Filter  
Non-permanent Markers  
Scissors  
Starch Spray

##### Directions-

Grab a coffee filter, its translucency mimics the look of glass, Give the filter uneven edges with scissors, then use non- permanent markers to make lines and spots on it. Lay the coffee filter on a turned over container or cup, apply spray starch and watch the colors bleed together when the filter becomes saturated, stop and let dry.

### Important Upcoming Dates to Remember:

Baking Contest 5/13 at Deputy Conference

Talent Show 6/18

Talent Application due 6/5 (See page 17)

Junior Camp- Camp Otterbein 7/7-7/10

Camp Registration due 6/10 (See page 17)

Fraternally yours,

Elizabeth Tolley and Sarah Casseday

## What Common Real-Estate Phrases Really Mean!

**Original condition:** The previous owner did not maintain the property and it will need updating and a lot of renovation, since it will be in a rundown condition.

**Needs TLC:** A homebuyer should interpret this to mean that the property needs a great deal of work.

**Handyman special, Lots of potential:** The buyer had better be good with tools if he or she wants the house to be livable.

**Cozy:** The house or apartment is very small.

**Charming, Vintage charm:** The house is old and in need of repair or modernizing.

**Low-maintenance yard:** The backyard has been paved over or the soil is so rocky that nothing will grow there. If you are expecting to make a garden or have a lawn, the cement will have to be removed, soil and a sprinkler system put in, and grass planted—all of which is a costly and time-consuming undertaking.

**Flexible floor plan:** The house doesn't match the rest of the neighborhood, or so many additions have been tacked on that the finished house does not match its original floor plan. This condition might make the house harder to re-sell. For urban apartments, this could mean that the layout isn't ideal, and the new owner might want to move walls to bring the space up to modern expectations.

**Model home condition:** The original owner paid the builder for cosmetic frills that may not be worth the price the seller is asking, as these decorating touches do not increase the value of the property.

**Convenient location:** This could mean that the house is located in a busy area, near a major intersection or thoroughfare, or close to bars and nightclubs. All of those mean noise.

**Waterfront property:** A leaky and water-damaged old house that needs extensive renovation. The fact that it is located on a waterfront may or may not be an advantage.

**House with a view:** The house might have a particularly desirable view only when seen from a limited angle or vantage point.

### Welcome New Members

Amesville Grange in Athens County held a Degree Day on April 9. Four Granges hosted, each completing one degree. Thanks to the efforts of Deputies Carolyn Kienzle (Hocking), Jo Ann Ingram (Washington), Charles and Olivia Yost (Meigs), and Tim and Kira Burns (Athens), the event at Amesville Grange was a huge success. Other Granges also contributed as needed and the Fifth Degree was done by area Pomona Grange members.

There were 12 Grangers who marched and all had a fun time! It was inspiring to see Grangers from all over Southeastern Ohio gather together. It has been four years since the last Degree Day, so everyone appreciated the fellowship and renewal of old friendships.

### Family Campout June 24th-26th

Remember to call Whispering Hills Jellystone RV Park in Shreve, Ohio 330-567-2137 if you plan on attending Family Campout June 24th-26th. A beautiful camp with many activities available. Two jumping pillows, a large one and small one for children, playground, miniature golf, outdoor movie theater, hiking, large pool, game and exercise rooms, slip n slide, hayrides and much more. Small lake across the road for fishing and paddle boats.

Please let Sue and Bruce Roy or Mike & Debbie Russell know if you are attending.

Thanks to an anonymous gracious donation we have set aside Saturday afternoon to go to Four Acres Family Fun Center in Wooster. There is no cost for this event. If you would like to go call the State office or Russell's at 937-541-1903 with the number of children and adults so we can get the right bracelets.

See you in June!

## Starting and Planning your Vegetable Garden

1. Site it right. Starting a garden is just like real estate, it's all about location.
2. Follow the sun. Misjudging sunlight is a common pitfall when you're first learning to garden.
3. Stay close to water. One of the best gardening tips you'll ever get is to plan your new garden near a water source.
4. Start with great soil. When starting a garden, one of the top pieces of advice is to invest in soil that is nutrient-rich and well-drained.
5. Consider containers. When space is at a premium, look to containers. You can grow many plants in pots, including vegetables, herbs, flowers, fruit trees, berries, and shrubs.
6. Choose the right plants. It's important to select plants that match your growing conditions.
7. Discover your zone. Knowing your "hardiness zone" can help you choose the best plants. Simply put, it describes the coldest place a plant can grow.
8. Learn your frost dates. Planting too early (or late) in the season can spell disaster for your garden.
9. Add some mulch. Apply a layer of mulch that's 2 to 3 inches deep around each plant.
10. Feed plants regularly. We've already talked about the importance of starting with great soil, but that soil works best in concert with regular boosts of high-quality nutrition for your plants.

The following may be planted next to each other in your garden.

Roses and Garlic  
Marigolds and Melons  
Tomatoes and Cabbage  
Cucumbers and Nasturtiums  
Peppers and Pigweed  
Cabbage and Dill  
Corn and Beans  
Lettuce and Tall Flowers  
Radishes and Spinach  
Potatoes and Sweet Alyssum  
Cauliflower and Dwarf Zinnias  
Collards and Catnip  
Strawberries and Love-In-A-Mist

Don't plant the following next to each other in your garden.

Beans and Onions  
Tomatoes and Corn  
Potatoes and Sunflowers  
Asparagus and Garlic  
Celery and Carrots  
Eggplant and Fennel  
Cucumber and Rosemary  
Lettuce and Garlic  
Parsnips and Carrots  
Pumpkins and Summer Squash
